

PETER CHINOKO

SOFTWARE DEVELOPER

+27 62 41 90 143 | peterchinokoo@gmail.com | <https://petersportfolio.vercel.app/>

Objective

To obtain a challenging software developer position in a dynamic and innovative organization where I can utilize my technical and creative skills to develop and maintain responsive, user-friendly, and visually appealing software applications.

Skills & Abilities

Proficient in a range of programming languages, with experience in developing and maintaining responsive, user-friendly, and visually appealing websites using modern web development frameworks and tools.

Experience

FREELANCE

Nodejs Backend Developer | September 2022 – March 2023

- Created CRUD and Restful APIs using Nodejs and Express
- Performed Authentication and Authorization using JWT, BCrypt and CONFIG JS

FREELANCE

Front end Developer | August 2023 -- Present

- Develop and maintain responsive, user-friendly, and visually appealing websites using React and Next js.
- Learning Full stack development

Education

DMI SAINT JOHN THE BAPTIST UNIVERSITY

Mangochi, Malawi | BS in Computer Science

Earned a 3.7 GPA and completed relevant coursework in web development, database management, and software engineering.

Communication

Excellent communication skills enable me to collaborate with clients and cross-functional teams to deliver high-quality results.

Leadership

coordinate project tasks, and implement best practices to ensure timely delivery of high-quality web applications.
